

LA MAISON S'ENVELOPPE DE DOUCEUR

Quand les températures chutent, nos intérieurs deviennent des refuges précieux où chaque détail compte. Pour cette saison d'hiver, notre collection invite à célébrer la chaleur, le confort et la magie des fêtes avec des articles textiles qui transforment la maison en cocon doux et raffiné.

DES PLAIDS moelleux et doux aux textures compris entre 400 et 800 grm² dans lesquels vous aurez envie de vous emmitoufler

Les teintes chaudes viendront apporter une atmosphère feutrée et chaleureuse

Ils se posent négligemment sur un fauteuil ou s'invitent au creux du canapé, prêts à accueillir les longues soirées d'hiver.

LES COUVRE LITS matelassés en gaze de coton et velours 100% coton jouent la carte de l'élégance intemporelle, tout en apportant une dose supplémentaire de confort à la chambre.

LES NAPPES DE NOEL, elles deviennent les complices d'un art de la table réinventé. Tissées de détails précieux, parsemées de motifs hivernaux ou de fils dorés, elles posent le décor pour des moments partagés, entre bougies scintillantes et rires autour d'un bon repas.

Cet hiver, plus que jamais, l'essentiel se trouve dans ces petits riens qui rendent la maison vivante et chaleureuse.
